Childcare Program located inside Malmo School

ERCCA
Edmonton Region Child Care Association

Kinder - Grade 6

ERCCA is a long standing childcare association that has been in operation since 1983 as a not for profit, Board supported child care.
In partnership with Edmonton Public Schools, our Association currently leases three classroom spaces. One space is for Kinder age the other spaces are for children Grade 1-6 attending Malmo and Lendrum School. We have our own ERCCA yellow bus that provides transportation to and from Lendrum School.
We are very grateful for our partnership with the community and schools.

Program Fees

	ERCCA Fee	Affordability Grant	Parent Portion
